Version October 28, 2026

ABSTRACT

We present spectroscopic confirmation of
??
Subject headings: galaxies:high-redshift – galaxies:evolution

1. INTRODUCTION

2. CONCLUSIONS

In this work,
Here, we summarize the main results of our analysis:

- We

ACKNOWLEDGEMENTS

The authors wish to recognize and acknowledge the very significant cultural role and reverence that the summit of Maunakea has always had within the indigenous Hawaiian community. We are most fortunate to have the opportunity to conduct observations from this mountain.
